

### The United Kingdom

Saul – 40 Years – G/E

David – 40 Years – G/E

Solomon – 40 Years – G/E

### **3 Kings – 120 Years – G/E**

Each king had his good points and bad points. Throughout the rest of Israel's history almost every king is compared to David. Saul started out humble, but turned from the Lord. David made his share of mistakes, but always turned to God in repentance. Solomon started out well, but his foreign wives turned his heart from the Lord. During Solomon's reign Jeroboam rebelled (1 Kg. 11:26) and became king of Israel. When Solomon died, his son, Rehoboam became king of Judah (1 Kg. 11:43).
